Students are highly recommended by Academy to “shadow” any of the programs before their audition. By shadowing, we mean that the student leaves his/ her home school and visits Governor Thomas Johnson High School (GTJHS) to spend the class time for that particular program observing the students and the class activities for blocks 1 and 2. This helps the students to determine if the program is truly one in which they are interested. Students must provide transportation to GTJHS; however, transportation from GTJHS back to the student’s home school by block 3 is provided by FCPS buses

Students are required to be at GTJHS by 7:30 am. Students are **REQUIRED** to turn in this signed parent permission form stating that the student is allowed to visit GTJHS with travel by provided bus or personal vehicle back to their home school.

Please email or fax this completed form to Mr. Patellis no later than *one week prior* to shadow date. jason.patellis@fcps.org or fax (240) 236-8201.

Shadowing dates (circle one): **10/18** **11/15** **12/20** **1/17**
