

Math Fact Websites

K-2

<http://www.sheppardsoftware.com/math.htm>

A great site with many different games for adding and subtraction.

Addition Fact Practice:

<http://www.education.com/games/number-pairs-bubble-buster/>

Pop the bubble pairs that equal 10.

<http://www.sheppardsoftware.com/mathgames/earlymath/bugabalooShoes.htm>

This a good game for students in K & 1 as it focuses on +1 or +2.

<http://www.factmonster.com/math/flashcards.html>

A great site to practice addition & subtraction facts.

Grade 2:

<http://www.sheppardsoftware.com/mathgames/monkeydrive/addition/MDAddDoubles.htm>

Doubles practice.

<http://www.education.com/games/fish-bowl-addition/>

Story problems to practice addition facts.

http://www.softschools.com/math/games/mad_minute_math/

http://www.softschools.com/math/addition/find_numbers_to_the_sum/

Find number pairs that add together to equal the given sum.

http://www.softschools.com/math/addition/addition_number_bond_method/

Using number bonds to help you with adding.

http://www.sheppardsoftware.com/mathgames/numberballoons/NumberBalloons_add_level2.htm

This is a more challenging game for students who are able to answer multiple facts and pop the balloons in order from the least sum to the greatest.

Subtraction Fact Practice:

http://www.sheppardsoftware.com/mathgames/earlymath/FS_NumberLine_minus.htm

Using a number line, students chose the fruit with the matching equation.

http://www.softschools.com/math/games/subtraction_games/

Try to "catch" the fish that has the difference (answer in subtraction) that matches the subtraction problem.

3-5

<http://www.sheppardsoftware.com/math.htm>

A great site with many different games for adding and subtraction.

Multiplication Fact Practice:

http://www.softschools.com/math/games/multiplication_games/

A fun fishing game where you have to “catch” the product fish that matches the multiplication fact.

http://www.softschools.com/math/games/mad_minute_math/multiplication/

Mad Minute- See how many facts you can answer correctly in 1 minute.

<http://www.factmonster.com/math/flashcards.html>

A great site to practice all multiplication facts.

Division Fact Practice:

<http://www.factmonster.com/math/flashcards.html>

A great site to practice all division facts.

http://www.mathplayground.com/ASB_Division_Derby.html

Answer division problems to get your horse around the track.

http://www.mathplayground.com/math_monster_division.html

A more challenging game for grades 4-5.

http://www.sheppardsoftware.com/mathgames/fruitshoot/fruitshoot_division.htm

Find the piece of fruit that has the correct quotient that matches your division problem.
