### CALCULATOR RENTAL AGREEMENT

The Brunswick High School Mathematics Department keeps a limited number of graphing calculators in reserve to rent to students with a financial need. By signing this agreement, the student borrowing a calculator agrees to the following:

1. I understand that I must return a signed agreement form and pay a **\$20 non-refundable rental fee** before I receive a calculator. (The \$20 fee is waived for students on the FARMS list. Please indicate below, if applicable.)
2. I understand that it is my responsibility to take excellent care of the calculator, not lose it, and return it at the end of the course.
3. I understand that if I fail to return the calculator in good condition I will be placed on the obligation list for \$80 (it will cost \$100 to replace the calculator). This will affect graduation, among other things.
