Policies, Procedures and General Information for Students and Parents
A climate of high expectations exists in our school. We provide a quality education, which features a variety of programs for all students, enabling them to achieve success regardless of gender, race, or socioeconomic status. We provide curricular and extracurricular experiences for all students to develop academically, physically, emotionally, culturally, and vocationally. We recognize that these experiences will help prepare students to attain success in a changing pluralistic society.
Attendance

➢ The late bell rings at 7:30, students are expected to be in the classroom at this time. Students in the hall or arriving to school after 7:30 will be directed to the ATTENDANCE OFFICE for a late pass.

   – Students are EXPECTED to serve a LUNCH DETENTION the day they are late UNLESS an excuse note is given.

   • No show for lunch detention results in progressive discipline (after school detention, saturday school, loss of privileges)

➢ Parents are encouraged to notify the school (email and/or phone) if their child will be absent from school. A note stating the reason for the absence is required when the student returns to school (please present the note to the attendance office within 2 days of absence). Please contact the school if there are specific concerns regarding attendance.

➢ Students may not leave the building during the day, unless prior written permission from parents was provided to the attendance office for a legal reason (i.e. dr apt). Students are NOT permitted to check out for lunch and return. Consequences will be given should this occur. Students are NOT permitted to bring in food from outside restaurants (or order/delivered) - they will be required to eat in the main office.

➢ Unexcused absences can affect your student’s grade and could result in failing the term and/or semester.

➢ Students must be in good attendance standing in order to participate in athletics, clubs and other activities.

➢ Students out of class for more than 10 minutes are missing significant instructional time. This could be considered a class cut resulting in progressive discipline.

*Please see the FCPS calendar handbook for more specific details of the FCPS attendance policies*
Policy: Student appearance is a part of school climate, and can help us achieve our goals in numerous ways. Our student attire policy is intended to create a positive environment for education, contribute to the learning and practice of the board's established core values, help students concentrate on school work, reduce discipline problems, and improve school order and safety.

Information about Bullying

- New regulation updates can be found at: https://apps.fcps.org/legal/doc.php?number=400-48 (forms can also be obtained in the guidance office)

Here are the basics:

- Bullying represents a pattern of behavior when a person repeatedly uses power in an intentional manner, including verbal, physical, written, or electronic communication.

- Harassment includes intentional negative actions that offend, ridicule, or demean another individual with regard to race, national origin, marital status, sex, sexual orientation, gender identity, religion, ancestry, physical attributes, socioeconomic status, familial status, physical or mental ability or disability.

- Intimidation is subjection to an intentional action that seriously threatens and induces a sense of fear and/or inferiority.

- Respect each other; we need to work together to keep our school a safe environment for all. If there are concerns, please stop and talk with your guidance counselor or another staff member. Reporting forms are located in the administrative and counseling offices as well as link above.
A nurse or health room technician will evaluate your condition and determine the appropriate action.

Students are not permitted to be in possession of prescription medication or over the counter medication and may face discipline consequences in accordance with FCPS regulation 400-8. Parents or students should contact the Health Room regarding any medications that need to be taken at school.
