

Dear Parents and Class of 2022:

We at Victor O'Neill Studios, your school's official school photographer, are excited to see you on the following date(s) for your senior portraits **at the school**:

August 2 & 3

Due to safety concerns during the COVID-19 crisis, we will no longer be mailing appointment notices home. It is safer to communicate with everyone through email and allows us to control the number of appointments throughout the day. We are reducing the number of appointments by 50% compared to previous years. Therefore, instead of pre-assigning a time for your senior portrait, we are offering you the opportunity to select your time through our new scheduling software.

Drapes will be provided by Victor O'Neill Studios for the yearbook pose, as has been the tradition at your school. If you wish to wear the photographer provided drape or the cap and gown, you must bring the signed [waiver](#) with you to the session. Please note that the tuxedos and drapes will be shared with other seniors while we are there. We will still take casual and cap and gown photos. We will have the following modifications in place to ensure a safe environment for students, parents, and our staff:

We will have signage in place to encourage social distancing while students wait for their turn at each camera.

Photographers will not come within physical contact of any student and will stay behind the camera.

Photographers and assistants will be in gloves and masks while students are present.

All of our staff will have their temperature checked before reporting to work each day.

Anyone entering the room where portraits are taking place will have their temperature checked.

Any shared clothing will be sanitized before each use using UV wands/Steamers.

We appreciate your cooperation with the following recommendations:

We recommend that anyone with underlying health conditions not accompany the high school senior to the school for their portraits if at all possible.

Masks will be provided to any customers desiring one.

Give each other space and follow the social distancing guidelines

Wash and sanitize your hands often. We will have sanitation stations throughout our portrait areas for your convenience.

Most importantly, if you feel sick, have a fever, are coughing, have difficulty breathing, or if in the last two weeks you been in close contact with a person with a suspected or confirmed case of COVID-19, please stay home

We strongly encourage you to reschedule your appointment if you or anyone in your family is feeling unwell.

Please sign up for your session time here:
