

BHS Daily Protocols and Pre-Cautions

- *Traffic will be limited in the hallways as much as possible, arrows will indicate directions.
- *Hand sanitizer dispenser, a spray bottle of an approved solution and a microfiber towel are present in the classrooms.
- *All building occupants are wearing a face covering.
- *Signage is posted throughout the building to communicate expectations.
- *Multiple locations for student entry have been designated:

- *Dismissal of students will be staggered, multiple exits have been designated for student dismissal.
- *Disposable face coverings are available for employees and students who either forgot their face covering or are wearing an inadequate face covering.
- *Signage, floor and wall decals are posted to promote the requirement of six feet physical distancing.
- *Signage on the elevator indicates capacity as a maximum of two people.
- *Hallway transitions between classes and to lunch will be managed to minimize traffic.
- *Maximum capacities for classrooms, restrooms and offices are posted on outside walls.
- *Larger spaces for instruction, such as auditorium, libraries, conference rooms or other communal spaces are being utilized to assist with physical distancing when appropriate.
- *Student desks/furniture promote social distancing-including appropriate spacing.
- *Unused desks are removed from the classroom or visibly marked with an "X".
- *Lockers and cubbies are not being used.
- *Frequently touched areas are being frequently cleaned and disinfected.
- *Sharing of materials will be limited and only on a needed basis.
- *Signage is posted on water fountains that indicates it is for bottle refilling only.
- *Students can not share water bottles.
- *Cafeteria seating is 6 feet apart (no more than 3 students per table). Seating area is designated.
- *Signage is evident that reminds students not to share food and/or beverages.
- *Restroom doors remain open/propped when possible.
- *Periodic cleaning of restrooms is evident.
- *Bathrooms have reduced urinals and sinks available to reduce contact.
- *Students are not permitted to access bathrooms during classroom exchanges.
- *The number of front office visitors is being restricted.
- *A location in the vestibule or main hallway has been designated for the dropping off or picking up of items.
- *If a student has an instrument, they will enter through the auditorium doors for drop off/storing of item until class.

In addition to protocols outlined for all FCPS schools, BHS is putting additional safety measures and protocols in place.

- *All classrooms will have air purifiers installed to increase overall air quality.
- *Desk/tables stickers/covers will be available in all instructional spaces.
- *Restrooms will be monitored to regulate the number of occupants in the restroom.
- *Restroom will be closed the first 10 and last 10 minutes of each block and during class exchange to increase time for cleaning and reduce congregating.
- *Grab and go breakfast, lunch - minimizing student proximity during food distribution.

BHS Student Expectations for Hybrid Participation

- *Arrive to school no later than 7:25-First block begins at 7:30. Go directly to 1st block classroom.
- *Hand sanitize immediately upon entering the building. Dispensers are located at each entrance.
- *Mask must be worn before entering the building and remain on at all times, except when eating in approved locations.
- *Once in the building, maintain social distance and follow all directional arrows and signs.
- *Have materials ready and available with you. Lockers will not be used.
- *Breakfast will be grab and go. Students will return to classroom and eat in the room.
- *Students are not to share materials or personal items. If supplies are needed, we can supply.
- *Bathroom access will be limited to class time and lunch. Please take note of the occupancy sign.
- *Chromebooks or lap-tops must be brought to school every day, charged and ready for use. Students are encouraged to bring the charger in case it is needed.
- *Student attire is to be school appropriate and appropriate for participating in enrolled courses.
Example: students will not be using locker rooms (or bathrooms) to change for PE courses.
- *Consistent sanitizing/washing of hands throughout the day is best practice.
