#OneSchoolNoLimits

What a great opening week! We celebrated #OneSchoolNoLimits by welcoming nearly 800 students back this school year. Be sure to check your grades regularly. Contact your counselor or admin for your HAC password if needed.

## CLUB DAY!

Lockers and parking permits are available in the front office

Chromebook forms and fees should be returned to Connections teachers.

Picture Day is September 20. Visit [www.vosphoto.com/Brunswick](http://www.vosphoto.com/Brunswick) to place an online order. Forms will also be available in the school office

Check out the rocks our RAK club designed and have placed around the campus and community. Find one? Keep it or rehide it. Share your find #BHSRocks

It is unlawful for students to possess or use any weapon on school property. Students who have or use a weapon on school property will be suspended from school, and the police will be notified of the incident. A weapon is any object designed to harm another physically or an object which is used in a way that can physically harm another. Brunswick High School is committed to providing each of you with a safe environment and we will do all we can to carry out that responsibility, including, if necessary conducting searches of student lockers.
