

Third Grade Newsletter

August/September Issue

Welcome
Back!

Curriculum Connection:

Social Studies- We are currently working on a Unit called Our Earth, Our Community, and Communities around the world. We are studying maps, globes, continents, countries, and where we live in the world.

Math-We are currently working on Unit 1 which focuses on using place value. Unit 2 is just around the corner. That unit will involve representing multiplication. In addition, we will be practicing addition and subtraction daily.

Language arts-We are working on the reading process and how to pick appropriate books. We are also learning about various genres.

Important Information

- Please make sure your child is arriving to school on time each day. Frequent lateness throws us all off schedule.
- Make homework fun! Ask your child to demonstrate what they have learned at school during the day. Children love to be the teacher.
- Make sure to check your child's agenda each night. Homework and other important information will be written down daily.
- Thank you for the generous classroom donations. They are appreciated and will be used throughout the year.
- We look forward to a great year!!

Important Dates

- September 2, Labor Day
- September 5, Rosh Hashanah
- September 20, Fair Day
- September 23, 2 hour early dismissal
