

Pinnacle Internet Viewer Logon Information

To the Parent/Guardian of: _____

The ability to monitor your child's grades and any assignment information can now be securely viewed from your Internet Browser at home. We are providing this access through our Pinnacle Internet Viewer (PIV) feature. This secured access requires an Internet connection and a confidential user name and password issued to the parent by the school.

Directions

This information applies to: _____

1. Start at the home page of your Internet browser
2. Navigate to our school web site **www.fcps.org**, then select **Grades Online**
3. Enter the secure login information shown below:

User ID: _____

Student's Password: _____

4. If you experience difficulty or have any questions about this service, please contact your student's teacher or the school.

Considerations

- * The user ID and password confidentiality is crucial - Do NOT give to other people.
- * Please allow teachers turn around time to enter grades.
- * Missing assignments may be calculated in a variety of ways. Please check with your child and/or their teacher for the particular policy in the class.
- * If questions arise, please visit with your child, teacher, counselor, or principal.
- * You may sign up for Automatic Email Notifications by signing into your child's PIV account, click on Email Setup and follow the prompts. You will need to re-subscribe each school year.

NEW FEATURE **Passwords may be changed thru September 30th** ***
Sign into your child's PIV account and click on Change Password.
