

Frederick High School Brick Sale

Fall 2017, Frederick High School students and staff will move into our new building and we will say goodbye to a building that many have called home for so long. The FHS Booster Club would like you to take a piece of our history home with you. We have 1,500 bricks that will be removed from the existing building, originally constructed in 1939 (additions and renovations: 1955, 1967, 1977, & 1980). These bricks are being pre-sold! Each brick is \$25 and will come with a separate gold plate. In order for your brick order to be guaranteed, payment must be made when you submit your form. All purchased bricks will have to be picked up from FHS on a date to be determined. Your purchase will help support our Cadet athletic teams, clubs and school.

For questions about the pre-sale, please email fhsbricks@yahoo.com.

Complete the form and mail to: FHS Booster Club, 650 Carroll Parkway, Frederick, MD 21701. All checks made payable to: FHS Booster Club.

To order online visit: <http://cadetathletics.com/2016/07/22/fhs-brick-sale/>
