

Math Night Reminders:

- ❖ Please have some pencils/pens available for participants. A “notes” sheet, evaluation, and game request sheet will be in their folders. They may need something to write with!
- ❖ A box will be labeled for game requests and will be at the front of the games area. Parents need to fill out the form and place it in the box.
- ❖ I will ask Terri to make an announcement towards the end of the last session asking parents to complete the evaluation. Please collect these in your last session and put them in my box. I will have an area outside and inside the gym for evaluations to be placed, as well.
- ❖ You might want to have a table or area set up ahead of time with pattern blocks, linking cubes, etc... for small children to work with. It might keep them occupied while parents and grade level students participate. If you want some coloring sheets let me know.
- ❖ If you think you might need extra chairs, please tell Brian by Tuesday, Nov. 12.
- ❖ Let me know if you need any help with anything for your presentations.
- ❖ Thank you!
