

WORLD MAP DIRECTIONS

Directions: Follow the steps below to help you create your own map of the world!
Please use pencil when labeling the map. Spelling does count!!

1. Label the SEVEN continents in ALL CAPITAL LETTERS! (pg. 2)
2. Label the FIVE oceans in ALL CAPITAL LETTERS! (pg. 2)
3. Locate TWO major mountain chains and TWO major rivers and label them on the map. (Only one of each can be in the United States)
4. Make sure you include a compass rose, a key/legend (for the rivers and mountains) and a scale.
5. Your map must include the following: a title, date, and author.
6. Color your map. Make sure the continents are different colors.

You will be graded on the criteria steps listed above. Please don't forget to color your map as it is part of your grade! Be neat!
