Welcome To Dual Enrollment

Dual Enrollment provides high school students opportunities to find their passion, earn college credit, gain college experience and reduce the need for remedial courses. Dual Enrollment includes FCPS high school students participating in any credit-bearing college course.
Key Faces for Lignanore Dual Enrollment

- Mr. McWilliams Assistant Principal, LHS Dean of Students
- Ms. Becker School Counselor, FCC Counseling Point of Contact
- Ms. Sung FCPS Coordinator of Dual Enrollment
- Mr. McClain FCC Dual Enrollment Specialist
- Mr. Beaver History 202
- Mr. Eckard Math 210 Calculus 1
- Mrs. Ericsson Biology 101 (new in SY20)
- Ms. Newcomb English 101 and English 102
- Mrs. Partner Math 206 Elementary Statistics
- Mrs. Purgason Math 211 Calculus 2 and Math 212 Calculus 3
- Mrs. Rebetsky English 101
Should I Take Advanced Placement or Dual Enrollment?

Yes
Consider the following:

- Your learning style and degree of self-motivation
- If you are better with daily or A-day/B-day scheduling
- The importance of an authentic “college class” experience
- Your future educational plans
- What credits your dream college(s) will accept

Talk with course instructors to learn specific course information.
Dual Enrollment

Enrollment of FCPS students in credit bearing college courses offered by FCC while still in high school.

Open Campus
High school students complete a college course on the college campus or through the college’s online program. The course may be during or outside of the school day. Courses are taught by FCC full-time or adjunct faculty.

High School Based
FCPS, in partnership with FCC, provide students the opportunity to enroll in college courses that are taught at their high school. Students gain exposure to the academic challenges of college while remaining in their supportive high school environment. The goal is to have courses taught by trained, qualified high school teachers.
A DE Course Is an FCC Course

Follow the FCC curriculum

Follow the FCC grading policy

Use the FCC approved textbook (Provided for site-based classes)

Students are both FCPS and FCC students; they are responsible for the rules and regulations of both FCPS and FCC
LHS-based Dual Enrollment Offerings

- Biology 101 (New for SY20)
- English 101 and English 102
- History 202
- Math 206 Elementary Statistics
- Math 210, 211 & 212 Calculus I, II & III
Pre-approved FCC Open Campus Courses

English 101 English Composition
English 102 English Composition & Literature
History 202 History of the United States
Psychology 101
Sociology 101
Biology 101
Chemistry 101
Math 130 College Algebra
Math 207 Elementary Statistics and Probability
Math 111 PreCalculus
Math 206 Elementary Statistics
Math 210 Calculus I
Math 211 Calculus II
Math 212 Calculus III
BU 103 Introduction to Business
ACCT101 Principles of Accounting
CIS 101 Intro Computers & Information Processing
CIS 190 Cisco Networking Fundamentals
CIS 191 Cisco Networking Router Technologies
CIS 192 Cisco Adv Routing & Switching Technologies
CIS 193 Cisco Project-Based Learning
BU 140 Agri-Business
BU 109 Entrepreneurship & Small Business Enterprise
CIS 170 Computer Network Security
CMM 152 Digital Studio Production
### Academic Assessment and Placement

All incoming students, unless otherwise exempted, must undergo placement testing in reading, sentence skills, and mathematics to determine if they are "college ready."

<table>
<thead>
<tr>
<th>Reading &amp; Writing: Reading Comprehension and sentence skills</th>
</tr>
</thead>
<tbody>
<tr>
<td>Math: Assesses a student's knowledge of Algebra I and Algebra II skills</td>
</tr>
<tr>
<td>Calculus requires additional placement qualification</td>
</tr>
</tbody>
</table>

Unweighted cumulative GPA of 2.0 or better
LHS Accuplacer Date: March 14

The Accuplacer can also be taken at FCC.

Students may take the Accuplacer only twice during high school.

PRACTICE!

If time allows, I’ll share some tips at the end of this presentation.

Student Responsibilities

- Use Naviance to register for the FCC DE course
- Submit exemptions to the LHS Counseling Office or register for the Accuplacer
- Complete and submit the DE packet to the LHS Counseling Office
- Apply to FCC [www.frederick.edu/apply](http://www.frederick.edu/apply)
- Pay online for FCC by the due date using PeopleSoft
- Provide FCC SSD Office with current 504 or IEP, if applicable
- Attend courses during the regular school day
- Follow FCC and FCPS policies and procedures
High School Based Dual Enrollment Tuition

Tuition is $52.46 per credit

Tuition waived for students eligible for Free and Reduced Meals

How to Pay Your FCC Bill

- Students can pay online or in person at FCC
- Pay online on your PeopleSoft Account: myfcc.frederick.edu
- Pay in person at the FCC Student Accounts Office in Jefferson Hall
- Payment plans are available at FCC

** Login information is the same for both PeopleSoft and Blackboard accounts**
Deadlines and Payment

- Bills will be available on PeopleSoft.
- You will be removed from the class if you have not paid by the first day of class.
- If you think you may qualify for free and reduced meal status, please submit your application as soon as possible. Applications are available on the FCPS website: [https://goo.gl/85tGnF](https://goo.gl/85tGnF)
Students with Accommodations

- Services for Students with Disabilities office at FCC assists and supports eligible students with disabilities.
  - FCC Campus in Annapolis Hall (A-105)
  - 301-846-2408
- You will not automatically receive your accommodations.
- You must make an appointment to apply for accommodations each semester.
- https://goo.gl/47gkRB
Administrative Attendance Waiver

- Students must fill out an AAW form indicating where they will be when they are not in their dual enrollment class.
- Students can request to arrive 2nd block or leave early on days that the FCC Dual Enrollment course is not in session.
- If transportation is a concern, students may remain at school in the Media Center.
Student Privacy

- Governed by FERPA and FCC policy
- Class progress and grade or attendance information cannot be released without written consent from the student
- The instructor is not permitted to contact parents/guardians without student consent
- Parents/guardians do not have access to Blackboard
Tutoring Resources

- Office hours with the instructor at LHS
- FCC Tutoring & Writing Center - Linganore Hall 2nd Floor, in the Gladhill Learning Commons
- STEM Learning Center – Braddock Hall B212
- Access the FCC tutoring calendar here: https://goo.gl/ZVgA93
Graduation Requirements

- Is your dual enrollment course one you need for graduation?
- Without student permission, staff cannot communicate with families about students in danger of not graduating
- Deadlines for dropping courses follow FCC policies
- Transcript request for colleges – students must request their FCC transcript from FCC
The **FCC Post-Dual Enrollment Scholarship** is a one-year scholarship awarded to one graduating senior from each Frederick County Public High School who participated in the **Dual Enrollment Program** (High School Based or Open Campus) through Frederick Community College. The scholarship is valued at up to $4,400 ($2,200 per fall and spring semester for one year).

**Selection process:** Each FCPS High School Principal may select one student who meets the following criteria:

- Must be a graduating Frederick County Public School senior who participated in the **Dual Enrollment Program** (High School Based or Open Campus) through FCC
- Must be in good standing (character, conduct, and attendance)
- Must have a 3.6 cumulative unweighted high school GPA
- Must have a minimum 3.0 cumulative GPA in all FCC dual enrollment coursework
- Must enroll at FCC as a 15+ credit degree-seeking student
The FCC Merit Scholarship is a two-year scholarship awarded to one graduating senior from each Frederick County Public High School. The scholarship is valued at up to $8,800 ($2,200 per fall and spring semester for two years).

Nomination process: Each FCPS High School Principal may select one student who meets the following criteria:

- Must be a graduating Frederick County public high school senior
- Must be in good standing (character, conduct, and attendance)
- Must have a 3.6 cumulative unweighted high school GPA
- Must maintain a 3.0 cumulative GPA at FCC to be eligible for second year award
- Must enroll at FCC as a 15+ credit degree-seeking student

**These are your best resources for information about deadlines such as course payment and dates to drop or add a course.**
Relax! The Accuplacer is not a test you can pass or fail! Scores on a placement test like this help you determine whether your current level of knowledge and skills will help you succeed in a college course. This test also helps you to identify your academic strengths and weaknesses. Think of it as a thermometer… you can “test the health” of your reading, writing, and math performances. If you are not college ready, there is still time to get the help you need to improve underdeveloped skills before heading off to FCC or any other school.
Tips continued

**Rest up!** You will be able to concentrate better on the test if you get plenty of rest and eat properly before the test. Consider arriving a few minutes early to give yourself time to gather your thoughts and relax before the test begins.
Give it some thought! Read each question carefully until you understand what the question is asking. If answering an item requires several steps, be sure you consider them all.
Get familiarized with **Accuplacer**! The Accuplacer is a placement test that is used across the nation. Be sure you understand the directions for each test before that test session begins. If you have a problem or question during the test, raise your hand and the test administrator or proctor will help you. Although they cannot answer test questions for you, they can help you with other types of problems.
Make every effort! Be sure to answer every item. You are not penalized for guessing. Your score will provide more useful placement information if you answer every item, even if you guess. Don't be afraid to change an answer if you believe that your first choice was wrong.
Stay positive! Believe in yourself, you can do it! Positive self-talk will also help reduce your test anxiety!
