

Dear Members of the Class of 2019 and Families:

The staff of Middletown High School congratulates seniors on their candidacy for diplomas from MHS! We are all so proud of our seniors' efforts and accomplishments! We want ALL seniors to enjoy a positive and memorable graduation day experience, so we need everyone's cooperation to ensure that the conclusion of the school year will be as safe, exciting, and enjoyable as the rest of the school year has been.

The graduation ceremony will be held in the Knott Arena at the PNC Sports Complex on the campus of Mt. St. Mary's University on **Wednesday, May 29, 2019, at 2:00 pm**. The university is located on Route 15 North in Emmitsburg, Maryland, which is about a 40-minute drive from Middletown High School. **The arena doors will close at 1:50 pm, so it is imperative that all guests be seated no later than 1:50 pm. Guests arriving after 1:50 pm will be required to wait in the lobby until the doors reopen which is AFTER the senior processional at about 2:05 pm.** Because we are expecting more than 2,000 guests, please plan for significant traffic delays and parking lot congestion. Allow an additional five to ten minutes to walk from the parking lot to the arena entrance and ticket-taker.

The doors to the arena will **open for ticket-holding guests at 1:15 pm**, and while there will be ample seating for everyone, choice of seating location will be on a first come, first served basis. **Seniors must report to the field house for check in with their row supervisor and be in the processional line no later than 1:40 pm. Families and guests are not permitted in the field house.**

Please carefully review the reminders below, the attached Important Senior Dates, and other attachments:

Expectations:

- Students are expected to remain fully engaged in the school program through Tuesday, May 21, 2019, the last official day of school for seniors. **Wednesday, May 22, 2019**, is senior exam make-up day and only seniors who have exams to make up are to be in school that day.
- All FCPS Policies and Regulations and MHS rules apply to the graduating seniors through the conclusion of the graduation ceremony on May 29, 2019. Unexcused absences from school will result in disciplinary action. We ask that our seniors exercise good judgment at all times. Safety is of paramount importance. Participation in actions that result in the vandalism of school property or disruption of school operations for the remaining staff and students, will result in disciplinary action and may result in exclusion from senior activity privileges including prom, the awards ceremony, and the graduation ceremony.

Graduation Practices:

- All three graduation practices will be held in the Middletown High School auditorium from 8:00 am until 11:30 am. Graduation practices will be held on **Thursday, May 23, Friday, May 24, and Tuesday, May 28, 2019**. Students **must arrive on time to practice each day**. Water and snacks will be provided during practices. Medications and other personal requirements should be handled through the health office, in accordance with FCPS policy.
- **Attendance at all three (3) graduation practices is mandatory so that our 280 seniors are prepared to cross the stage in front of over 2,000 people!** Doctor's appointments, work schedules, vacations, etc., are NOT considered valid excuses for missing a practice unless they are emergencies. Any questions regarding practices must be directed to lee.jeffrey@fcps.org by **Friday, May 3, 2019**. **If a student misses a practice or leaves a practice without prior written permission from Ms. Jeffrey, he or she may lose the privilege of participating in the graduation ceremony.** Students may not bring guests, family members, or friends to graduation practices. It is important for students to remain attentive during graduation practices. Food or beverages may not be brought in to the auditorium.
- To preserve an orderly instructional school environment for the more than 850 underclassmen students, seniors are expected to exit the school building and school property in a safe and orderly manner following graduation rehearsals.

2. Ceremony Conduct:

Graduation day is one of the most important days in a student's life and a day that students and families have been looking forward to for many years which is why the graduation ceremony is a **dignified** and **formal** ceremony. **Every student deserves the opportunity for respectful recognition without interference or embarrassment as they cross the stage in front of literally thousands of people.** And when a student crosses the stage, the student and his/her family deserves to hear the graduate's name announced without interruption or yelling from the audience or fellow classmates. The graduate's name is only announced one time so while clapping is appropriate, it must stop as the next graduate approaches the stage. All members of the Class of 2019 are expected to set the standard for appropriate behavior, and we request that families and guests help us create a dignified atmosphere for all of our students and the audience.

3. Financial Obligations:

Financial and property obligations must be settled by noon on **Tuesday, May 14, 2019**, in order for the student to receive a diploma. Mrs. Staub will handle clearing of all obligations.
