Administration's Welcome

Welcome to Middletown High School – a school that is rich with a tradition of excellence. The high expectations established by the staff give each student the opportunity to excel in many areas including academics, career training programs, athletics, student life through activities and service. MHS is able to provide this positive climate with the continued support of the student body, parents and community. MHS has experienced superior levels of success translating to “excellence is the only option.”

The beginning of each school year is a time for setting personal goals and renewing commitment to all aspects of your life. Establish routines early that permit you ample time for academics, activities, work, friends, and family. Remain focused and dedicated to always doing the best you can do. We will work with you to provide a quality education, will share in your triumphs, and will assist you as needed.

We support and endorse the MHS Knight mantra: ready, respectful and relentless. We will model these traits and ask you to accept the responsibility for practicing these characteristics throughout high school and life.

Let's make the School Year 2016-2017 a positive and memorable one for MHS!

Sincerely,
Administration Team

MIDDLETOWN HIGH SCHOOL

Student Government Association

Welcome to Middletown High School! For our new Knights, welcome to the next chapter of your life, and for our returning Knights, welcome back for another awesome year! My name is Maura Wimsatt, and I am the President of the Middletown Student Government Association (SGA) for the 2016-2017 school year. Our other officers are: Vice President - Audrey Rudy and Secretary - Katherine Koval. Lastly, we have two outstanding advisors, Mrs. Barlow and Mrs. Roberts.

SGA is the voice of the student body, composed of an Executive Board and a General Assembly. We are most known for organizing the Homecoming Dance every October, but we do so much more than that! We are actively involved in various community service activities, organize teacher appreciation week, and contribute our time to benefit local families in our community. Every April, we host the American Red Cross Blood Drive, which allows the community to come to our school to donate one pint of blood to save a life. Every school year we have a hygiene and school supply drive to help families in our community and during the holidays, we donate toys to children in need throughout Frederick County.

Our purpose is to represent every student and be the voice of the student body at MHS, but we need your help to make that happen! We encourage everyone to attend our weekly Executive Board meetings to be part of our great organization. Please feel free to contact me, any SGA officer, or our advisors for any questions. I am looking forward to a successful year as your President!

Maura Wimsatt

President, MHS Student Government Association

MHS STUDENT HONOR CODE

MHS Honor Philosophy

The MHS community acknowledges that learning is a right and responsibility of all students. A successful school experience requires the highest standards of integrity on the part of all involved. A student's work is a reflection of self-pride. Therefore, the honor philosophy of this community recognizes that ideas belong to those who create and articulate them; that to submit work that is not one's own is to insult the efforts of one's peers; that to claim the thoughts or works of another as one's own is to steal from the originator and to deceive those to whom the material is presented; that to be dishonest is to degrade oneself.

Honor Pledge

I have neither given nor received unauthorized aid on this assignment. My name on this piece of work affirms my character and honor.

Students are responsible for:

- 1) Understanding the definition of cheating and the types of conduct that are deemed unacceptable.
- 2) Refraining from cheating, plagiarizing, facilitating academic dishonesty, abusing academic materials, stealing, or lying.
- 3) Reporting every instance in which the student has knowledge that academic dishonesty has taken place.

Definition of Cheating:

Using or attempting to use unauthorized materials, information, notes, study aids or other devices, or obtaining unauthorized assistance from any source or person for work submitted as one's own individual efforts on any assignment. Cheating is also the act of helping or attempting to help another student commit an act of academic dishonesty.

Examples of cheating include, but are not limited to, the following actions:

- 1) Copying from another student's paper or test, or receiving assistance from another person during an exam or other assignment in a manner not authorized by the teacher.
- 2) Possessing, buying, selling, removing, receiving, or using at any time or in any manner not previously authorized by the teacher a copy or copies of any exam/other materials intended to be used as an instrument of evaluation in advance of its administration.
- 3) Using materials or equipment (i.e. crib notes, calculator, tape recorder) not authorized by the teacher during a test or other evaluation.
- 4) Working with another or others on any exam, take home exam, computer or laboratory work, or any other assignment when the teacher has required independent and unaided effort.

- 5) Attempting to influence or change an academic evaluation, grade, or record by deceit or unfair means, such as: (a) damaging the academic work of another student to gain unfair advantage in an academic evaluation; or (b) marking or submitting an exam or other assignment in a manner designed to deceive the grading system.
- 6) Submitting the same academic work that has been submitted in identical/similar form in another class.
- 7) Gaining unfair advantage in an academic evaluation by receiving specific information about a test, exam, or other assignment.
- 8) Providing assistance to another during an exam or other assignment in a way not authorized by the teacher.
- 9) Copying homework – even one or two answers.
- 10) Minimizing a computer screen rather than closing all programs during a quiz or test. A minimized screen has the potential to be a “cheat sheet”.

Definition of Plagiarism:

Representing orally or in writing, in any academic exercise or assignment, the words, ideas, or works of another as one’s own without proper acknowledgement of the source.

Examples of plagiarism include, but are not limited to, the following actions:

- 1) Submitting material or work, in whole or in part, which has been prepared by another individual or commercial service.
- 2) Directly quoting from a source without the proper citation.
- 3) Paraphrasing or summarizing another person’s work without acknowledging the source.
- 4) Submitting work that too closely resembles work created by another individual (determined at teacher’s discretion).

Consequences of Cheating (minimum):

Parent contact; referral; zero credit; honor society notification

Administration

The Middletown High School Administrative Team is here to work with you, your parents and your teachers to ensure that you have a successful year. They are willing and able to help with academic or personal concerns. You are welcome to visit them at any time to discuss anything that is important to you. If they are not available when you stop by, please leave a note requesting an appointment with an office secretary.

See the directory section to determine your administrator

Student Services

The Student Services department seeks to develop within each student confidence, an understanding of one's self, and the problem solving and decision making skills needed to become educated, responsible and productive members of society. The counselors engage in program development, management, and evaluation in order to ensure delivery of services appropriate to the needs of our students. Each student is assigned a counselor to help the student with personal problems, curriculum choices, career decisions and college planning. Counselors may meet with students individually or in small groups. Information shared during a student/counselor conference is confidential except in areas protected by law.

See the directory to determine your school counselor.

School counselors are able to assist students and parents in the following areas:

- educational development, including college and scholarship searches
- personal growth
- career exploration and decision making
- consultation services

See Mrs. Dillard during lunch, before school or after school to request an appointment with a counselor. The appointment slip (pass) must be shown to the classroom teacher for approval prior to the student's release for the appointment.

Academics & Standardized Tests

Frederick County High School Course Offering Guide -

Copies of this guide are available from the Student Services office or online.

High School Assessments-

Please refer to the FCPS Calendar Handbook.

Test Security – The

Superintendent has issued rules and regulations to ensure compliance with the Maryland State Department of Education test security and data reporting bylaws. The rules include the summative assessments of the county's Criterion Referenced Evaluation System (CRES) and the annual Progress Reports.

Test Invalidation—please refer to State bylaw 13A.03.04.04 Invalidation of Test Scores.

Attendance

IF YOUR STUDENT IS ABSENT

- Within two days of returning to school, students must submit a note, written by a parent, to the Attendance Office that includes: a) student's name, b) grade, c) date(s) of absence, d) reason for absence,
- Doctor visits require a note from the doctor's office. This can be submitted in lieu of a parent note.

EARLY DISMISSALS

- Submit notes to the Attendance Office before school. The Attendance Office will call parent to verify the dismissal. All students must sign out when leaving and upon their return.

MAKE UP WORK

- A note is required for an Attendance slip to be issued.
- Without a note stating a legal excuse for the absence, the absence will be considered unlawful.
- Students will be issued an Attendance slip when returning to school after an absence. It is the student's responsibility to show this slip to their teachers in order to obtain any work they missed due to their absence.

UNEXCUSED ABSENCES

More than 5 unexcused absences in a term – grade of "F" for the term.

10 or more unexcused absences per semester or 20 per year– grade of "F" and possible loss of all credit.

EXCESSIVE ABSENCES

Students who have excessive absences may be placed on an Administrative Attendance contract. We strongly encourage parents/guardians to call a counselor, administrator or the Attendance Office whenever student attendance is a concern or in question.

Cumulative excused absences for illness and unexcused absences result in the following:

7th absence: warning letter to parent

10th absence: letter requiring a doctor's note for future absences or illness.

VACATION TRIPS AND COLLEGE VISITS

Certain absences for trips or college visits will be excused, but only with prior administrative approval. Prior approval should be initiated at least 7 days before the absence on the request form (blue form) available in the Attendance Office and on the MHS website. Return the form to attendance at least 3 days prior to the planned absence.

- Students taking trips with their parents may be excused no more than twice during the school year for a combined maximum of 5 days.
- Visits by students to prospective colleges will be excused up to 4 days per year. College visits must be arranged in advance and verification from the college is required for a lawful absence. A counselor can arrange the college appointment for you.

ELIGIBILITY FOR ATHLETIC, CLUB & EXTRA-CURRICULAR ACTIVITIES

In order for a student to be eligible to participate in any extracurricular activity, the student must be in attendance a full day on the date in question.

- Students who are absent or are admitted to school after 8:30 a.m. (legal or illegal), or leave school at any time during the day, are ineligible to participate that day unless they have a doctor's note or approval from an administrator.
- If the absence or late arrival is a result of illness or injury, a doctor's note is required.

LATE ARRIVALS

Punctual arrival at school is also required. Tardiness to school is cumulative within a term. The following actions will be taken for an unexcused late arrival to school:

1 st late	Warning
3 rd late	½ hour detention assigned by Attendance Office
6 th late	Referral to administration 1 hour after school detention
10 th late	Referral to administration Saturday School

Awards

A school letter is awarded for excellence in academics, athletics, and music. The first award earned is a school letter and an accompanying pin. Subsequent awards are additional bars to be attached to the letter.

Academics: Lamp of Knowledge

Students receive the academic award upon earning a cumulative 3.5 grade point average.

Athletics: Varsity Letter – The athletic director, in conjunction with the coaches, determines awardees based upon current policy.

Music: Music Symbol – The music director determines awardees based upon specific criteria.

Bomb Threat

It is unlawful for anyone to threaten harm to a school and its occupants in any way, including in person, by telephone or by any other means. Students who do so will be arrested and will be recommended for expulsion.

Cafeteria

Prices for meals are announced at the beginning of each school year.

Forms for Free and Reduced Meals are distributed the first day of school. These forms should be returned to Mrs. Hood in the front office.

RULES FOR CAFETERIA BEHAVIOR

- Report directly to the cafeteria at the appropriate time.
- Leaving the cafeteria or the school building is not permitted during lunch.
- The Media Center is open during lunch for students. No food or drinks are allowed in the Media Center.
- Throwing food will result in a lunch detention.
- Students are expected to clean up after themselves.

STUDENTS MAY NOT HAVE RESTAURANT FOOD DELIVERED TO THE SCHOOL DURING THE SCHOOL DAY.

Calendar Handbook

The FCPS Calendar Handbook contains many useful facts about the school system's policies, programs, and services, and should be used as a reference should questions arise during the school year. Students may be particularly interested in the sections on attendance, discipline, emergency school closings, graduation requirements, honor roll, interims, report cards, and school bus safety.

Cell Phones and Electronic Devices

Cell phones/electronic devices must be turned off and out of sight between 7:15 a.m. and 2:15 p.m. each day, unless directed by teacher for educational purposes.

- **Electronic devices may not be used to take or transfer any images at any time on school premises.** Students who take or transfer images may receive an office referral.
- Misuse of these devices will result in the item being confiscated and the student will be required to sign a Cell Phone/Electronic Device Contract with the following consequences:

1st & 2nd Offenses: Device confiscated and returned at the end of the day.

3rd Offense: Device confiscated, referral given and parent pick-up of the device.

4th & 5th Offenses: Device confiscated, referral given, parent pick-up of the device, and Saturday School.

6th Offense: Continued willful disobedience.

- If a parent needs to contact their student, they may do so by calling the front office to leave a message.

Clubs

The students of Middletown High School are offered membership in a variety of clubs and organizations. Some are an integral part of the day-to-day classroom curriculum, others are special interest groups that meet during the school day and are sponsored and advised by a member of the Middletown High School staff or parent volunteer.

Dance Conduct Expectations

School events should provide a healthy, safe and enjoyable atmosphere for all students. The following behavior expectations are designed to ensure positive dance environments for our students, staff and community.

FCPS Expectations for Students and Guests:

All FCPS rules, regulations and policies are in effect for FCPS dance events.

Possession, use, or being under the influence of drugs, alcohol and tobacco products is an infraction of both FCPS regulation and MD state law.

Entry to the dance will be denied for inappropriately revealing, sexually suggestive or disruptive dress.

The dance is only for the students of the home school and their guests.

- All attendees must be enrolled in grade 9 or above.
- All guests attending FCPS dances must be under 21 years of age.
- All guests must be approved in advance by the school administration.
- All guests must enter and leave the dance with the student who invited them to attend.
- All guests must provide a photo ID before entering a dance.

Everyone is expected to behave in a respectful manner, consistent with the policies and procedures of FCPS. This includes:

- Adhering to the guidelines while on the dance floor
- Avoiding sexually suggestive or explicit dancing
 - Sexually suggestive or explicit dancing includes suggestive squatting, bending, freaking, grinding, touching of the breasts, buttocks, or genitals, or simulating sexual activity.

Once participants enter the dance, they are not permitted to leave and return

Failure of participants to comply with these guidelines may result in:

- Suspension from the dance floor for a period of time
- Expulsion from the dance and forfeiture of the admission cost
- Suspension from future home school extracurricular activities

- Suspension from future FCPS (home and guest) extracurricular activities
- Fully lighted dance floor
- Termination of the dance

Violations of the above expectations may result in removal from the dance and/or further disciplinary action.

Excessive Displays of Affection

Excessive displays of affection (anything beyond holding hands) are considered to be “offensive social behaviors” and are subject to disciplinary action up to and including suspension from school.

Deliveries

Due to the high volume of traffic in the busy MHS office, deliveries to students during the school day are prohibited. Balloons, cakes, flowers, etc. will not be delivered to students and will remain in the office until dismissal.

Directory Information

Current legal guidelines allow schools to release “directory information” about students. This information includes the name, officially recognized activities and sports, weight and height of members of athletic teams, honors and awards received, grade level, and/or the current school attended. Any parent(s) or 18-year-old student who does not want the school to release the directory information without the prior written consent of the parent(s) or 18-year-old student must notify the principal by **September 30, 2016**. If the student enrolls after the beginning of the school year the parent(s) or 18-year-old must submit this notification within 30 days of the

date of enrollment. This notification must be submitted initially and annually. The release of names and addresses of graduating seniors may be made by school officials to proper authorities of (1) the armed services, (2) bona fide educational institutions, (3) members of the State Legislature and members of the Congress of the United States, (4) any person, agency, or department concerned with job placement of graduates.

Discipline

The discipline policy for all students in all Frederick County Schools is published in the Frederick County Board of Education Calendar Handbook.

Students are encouraged to read it thoroughly. At the beginning of each school year, copies of the school system's Calendar Handbook are distributed to every student.

This information is also available on line as Discipline Regulation 400-08.

The staff and administration of Middletown High School join this community in recognizing the critical importance of having a school that is absolutely drug and alcohol free. Any student with information regarding the presence or use of drugs or alcohol at our school is strongly encouraged and welcomed to report concerns to staff. Students may speak freely and confidentially to any administrator at any time.

Possession and Use of Alcoholic Beverages and Drugs:

Disciplinary consequences for possession, distribution or being

under the influence of alcohol or controlled substance are outlined in the calendar handbook and on line in Regulation 400-08, Discipline.

Searches by Police Canine Unit:

Periodic searches of lockers and cars will be conducted by police and trained drug-sniffing dogs. Searches will not be announced and will occur while students are in class. If a dog alerts on a particular locker the student will be called and the locker will be searched in accordance with procedure. If the dogs indicate a car, the owner will be contacted by the police department. The police will be in full control of this case. In either case appropriate disciplinary action by school officials will follow.

Dress Code

- 1) Hats, bandannas, and other head coverings are to be removed when a student enters the building and are not to be worn in the building at any time during the school day. Certain headbands, scrunchies, etc. which are used to hold hair in place and do not cover the entire head are permitted.
- 2) Students should not wear unduly revealing clothing, e.g. see-through shirts, tops cut low at the neck or low under the arms (including muscle shirts), those exposing bare midribs, shoulders, or backs, pants or skirts worn below the hips exposing the student's underwear or skin.
- 3) Underwear should not be showing and should not be worn as outerwear.

- 4) Skirts and shorts should not be worn excessively short. It is expected that skirts and shorts will cover mid-thigh when sitting down.
- 5) Pants, shorts and skirts will cover undergarments at all times.
- 6) Clothing which advertises drugs or alcohol and/or contains graphics which may be perceived as socially or morally offensive may not be worn. This includes graphics of weapons.
- 7) Clothes or items that feature sexually offensive or vulgar words, drawings, pictures, phrases, are not permitted.
- 8) Clothes or items (buttons, arm bands, flags, badges, decals or anything of symbolic expression) that could substantially disrupt or materially interfere with school activities or that are legally libelous or obscene, may not be worn.

Clothing or items containing derogatory expressions or language regarding a person's race, color, gender, national origin, religion, sexual orientation, or disability that could disrupt school activities, are not permitted.

Repeated violations will result in disciplinary action beyond the change of clothing.

Emergency and Fire Drill Procedures

The purpose of a fire or emergency drill is to teach students how to proceed in case of a real emergency. These drills are held at various times during the school

year as mandated by state law. The signal for a drill is the constant sounding of a bell, accompanied by a voice call to evacuate the building. Every person (students, teachers, secretaries, custodians, cafeteria workers, teacher aides, visitors, etc.) must vacate the building. Notice of a lockdown drill is given over the public address system.

A lockdown is called by the principal or administrator in charge. The following rules must be observed during the drills:

- 1) Do not talk during an emergency or drill. Listen for directions.
- 2) If directed to exit the building, walk rapidly, do not run. Go to the area outside the building posted on the directions near the exit of each classroom. The first two students to reach an outside exit should hold the door for all others.
- 3) Keep together; meet outside as a class in assigned area away from the exit doors.
- 4) Leave belongings such as books and papers in the room.
- 5) Attendance will be taken by teachers.
- 6) All persons should be at least 50 yards from the building and not blocking roadways or entrances.

Firearms & Weapons Possession

Please refer to the FCPS Calendar Handbook.

Graduation Honors

APEX – Criteria based qualification, seven advanced placement courses or six advanced placement plus one approved course.

AP Scholar: A student receives this designation upon successful completion of six or more advanced placement classes and exams.

Honors, High Honors, Highest Honors: All three tiers of academic recognition will be calculated using **cumulative weighted grade point averages** as follows: Highest Honors – 4.0 or greater, High Honors – 3.75 – 3.99 and Honors 3.5 – 3.74. Students are awarded a cord to wear at graduation based on the level of honors they achieve.

Health Suite

If you become injured or ill, report immediately to the teacher in charge. The teacher will refer you to the health room where the nurse or health technician will evaluate your condition and determine appropriate action. It is important that you return your emergency information form at the beginning of each school year so that parents can be reached in the case of an emergency. Please keep the health room updated with any new health concerns and the front office staff aware of any changes in contact information throughout the school year.

**All students leave school with clearance from the Health Room. Students leaving school without authorization may be subject to receive an office referral.

Medication

Medication can only be administered by the School Nurse or Health Technician. Students MAY NOT bring any medication, prescription or non-prescription, to school. Properly labeled medication must be brought to school by a parent or guardian. Medication cannot be administered in school without a written physician's order and/or prescription label, if applicable and a parent/guardian's written authorization. Medication will be stored in the health room.

All "MEDICATION AUTHORIZATION" forms are available in the health room located in the main office and on the FCPS website.

Homework

All students should expect homework assignments requiring about two hours each evening or ten to fourteen hours each week. Students who attend school for any portion of the day (whether late to school or excused early) are required to submit their homework assignments to all classes on that same day. Information can be found at <http://mhs.sites.fcps.org>.

Lockers

- The lock must remain on the locker and secured at all times. Students may not bring their

own locks. Students will be charged a \$5.00 fee for lost or stolen locks.

- Students must use ONLY their assigned locker and should not share their locker combination with others.
- *Students are liable for the contents of the assigned locker. Items of value and large amounts of money should not be brought to school.* The school cannot take responsibility for valuable items left in hall or lockers. Further, students are financially liable for any intentional damage to their lockers.
- All lockers must be cleaned out by the last day of school. All personal belongings left in lockers will be thrown away.

Students, personal property, and the school property assigned to students shall not be subjected to **unlawful** search and seizure. However, administrators may search the school building, including lockers, at any time. Administrators may also search students when they have reasonable suspicion that the law has been broken or a FCPS Regulation has been violated and the search is related to that suspicion.

Students are obligated to cooperate with such searches as indicated in the discipline sections of the Calendar Handbook for Frederick County Public Schools.
