Target:

Your vote makes a big difference to our school. Visit **GiveWith.Target.com** to vote for our school. This year, Target will give money to schools all over the country for one simple act: a vote. Our school needs just 25 votes to earn a \$25 donation from Target. But that's only the beginning. For each additional vote, our school will get \$1 more. (As of 9/4/13, our school has 80 votes!) So please remember that, although the gesture is small, the rewards are potentially huge. Go to **GiveWith.Target.com** to vote for North Frederick Elementary School once a week through *September 21 or until Target has given away all \$5 million*. Vote and see rules at **GiveWith.Target.com**.

Do you have a Target REDcard (Target credit, Target debit, or Target Visa)? If so, **signup** for Take Charge of Education. Help us help your favorite school. Choose your kids' elementary school, and Target will donate up to 1% of your REDcard purchases at Target stores in the U.S and at Target.com.
