

FREDERICK COUNTY PUBLIC SCHOOLS / FREDERICK COUNTY HEALTH DEPARTMENT

Date: May 2016

Dear Parent/Guardian:

A 2nd dose of Measles/Mumps/Rubella (MMR) and a 2nd dose for varicella **is required** by the Maryland State Department of Health and Mental Hygiene prior to entry into any Maryland public school. As you prepare your child to **enter kindergarten in the fall**, you will need to provide documentation from your child's health care provider.

- Documentation that the required immunization has been received, or
- Documentation of age-appropriate immunity, or
- Documentation of a medical contraindication

Schedule an appointment for your child to receive the immunization with your child's health care provider and return the completed documentation to school as soon as possible.

If you need assistance with your child's immunizations, please contact your school's Registered Nurse at **240-236-2010**.

Thank you,

Bridgid Knott RN BSN
Registered Nurse
