OPERATING PROCEDURES AND REGULATIONS

All Oakdale High School students receive a copy of the [Frederick County Calendar Handbook](#). The [Calendar Handbook](#) contains many useful facts about the system's policies, programs and services and should be used as a reference should questions arise during the school year.

ACADEMIC INTEGRITY CODE

The OHS staff expects students to take pride in their work and complete graded assignments honestly and fairly. Students who engage in acts of academic dishonesty compromise their own learning experiences as well as the academic standards of our school. Below is a list of offenses and their possible consequences. Note that these offenses can occur in any class, and the consequences are outlined for each offense across classes. Also, these offenses could impact college recommendations/letters of recommendation.

Offenses

NOTE: The examples listed below are for clarification; they are not an exhaustive list of offenses.

- **Cheating**: using or attempting to use unauthorized materials, information, and/or study aids during an exam or in connection with any work done for academic credit
 - **Examples**
 - Copying an assignment from another student
 - Copying a test or quiz from another student
 - Obtaining prior knowledge of academic materials
 - Having possession of unauthorized materials during a test or quiz (including electronic devices)
 - Inappropriate sharing of materials during a test or quiz (including graphing calculators)

- **Plagiarism**: representing the words or ideas of another as one's own in any academic exercise without proper acknowledgment of the true source
 - **Examples**
 - Using direct passages from sources without quotations or proper citations
 - Copying/pasting material from the internet into an assignment, including use of language translation websites

 - Inventing data in place of actual research for a graded assignment
 - Making up fake sources in a citation on a project or research paper

- **Deception**: deceiving a student, teacher, and/or administrator for academic gain
 - **Examples**
 - Intentionally misrepresenting the need for extra time on assignments
 - Using an assignment created for one class in another without instructor approval

 - **Examples**
 - Allowing another student to copy a graded assignment
 - Helping another student to cheat on an exam
 - Giving another student old assignments for him/her to use in his/her current classes

Students who engage in academic dishonesty should expect serious consequences. The consequences for violations are outlined below.

Academic Integrity

ACADEMIC STANDARDS

Course Outlines: Teachers will distribute to all students in every class a written course outline detailing course objectives/goals, material, types of assignments, specific class rules/regulations, and general grading procedures.

Committed Learners: Students in all classes are expected to be actively engaged in the learning process by:

1. Being present in each class on time.
2. Bringing all books and required materials to class every day.
3. Participating in all class activities an active/meaningful manner.

Non-committed Learners: Students who sleep in class, read non-classroom related materials, fail to participate, use technology inappropriately, etc. should expect the following progressive interventions by OHS staff:

1. Teacher will warn the student.
2. Teacher will contact parent/guardian and attempt to resolve the problem.
3. Teacher will assign discipline consequences to the student and contact the parent/guardian again.
4. Student will be referred to the appropriate administrator.

ACCIDENTS

Accidents/injuries must be reported to the office so that an accident report can be completed and sent to Central Office.

AFTER SCHOOL DETENTION

An administrator will assign After School Detention (ASD) for excessive tardies or for disciplinary reasons. The hours are 2:25-3:10pm on Tuesdays, Wednesdays, and Thursdays. A copy of the ASD form is signed by the student and must be shown to the parent(s). Students assigned to ASD should:

1. Report to room B110 (the Resource Room) no later than 2:25 P.M.
2. Be on task and working the entire time.
3. Demonstrate appropriate behavior.
4. Report to ASD prior to any after-school activities/practices.

If the student is absent on the day of retention, the student is required to reschedule through the administrator or teacher who assigned the ASD.

ATTENDANCE – ABSENCE/EARLY DISMISSAL/MAKE-UP WORK POLICIES

Students are expected to maintain acceptable attendance. Unlawful absences may result in lowering of grades, ineligibility for extracurricular activities, disciplinary action, and loss of academic credit. The following attendance procedures and policies apply to all students:

Returning from an Absence

- Within two school days of an absence, students must provide a written note from a parent/guardian to the attendance office to excuse the absence.
- All written notes must include the date(s) of absence, the reason for the absence and the signature of the parent/guardian.

Unexcused Absence Policy

- The Frederick County attendance policy specifies that more than five (5) days missed per term constitutes excessive absence.
- Students who have in excess of five (5) days of unexcused absence in any term may be assigned an "F" grade in all classes.
- Missing the bus, forgetting to set the alarm and over sleeping, and traffic problems are considered unexcused absences.

Late Arrivals to School

- Classes begin promptly at 7:30am. Teachers will close their doors and begin class immediately. Students arriving to class after 7:30 A.M. must report to the Attendance Office for a late slip. Tardies may count as unlawful class absences and can result in loss of academic credit.
- Unexcused arrivals after 7:30 A.M. will result in the following disciplinary consequences:
 - 1st Offense—Warning
 - 2nd Offense—Warning
 - 3rd Offense—1 ASD/Parent Contact
 - 4th Offense—2 ASD/Parent Contact
 - 5th Offense (and any additional offenses) —3.5 Hour Saturday School Detention/Parent Contact
- After the 10th day of excused lates in a given term, students are required to present a doctor's note for each subsequent late arrival. If a note is not presented, the lateness will not be marked excused and consequences will be assigned.

Early Dismissal from School

- Students who need to leave for any reason during the school day must present a written note from a parent/guardian to the attendance office at the beginning of the school day. Phone calls to front office staff requesting early dismissal of a student should be the exception, not the norm.
- Attendance staff will attempt to verify all notes and will issue a pass to the student upon verification.
- Students leaving campus without a pass will be considered truant and will receive disciplinary consequences.
- Parents must report to the Attendance Office to sign out their student.
- Students must sign in at the Attendance Office upon their return to school.

Illness at School

- Students who are ill must have a pass from a teacher to report to the health room.
- Health room staff will evaluate students and contact parents as necessary.
- Students may not arrange parent pick-up without seeing the school nurse.

Vacation Days and College Visits

- Absences for family trips or college visits will be excused with prior administrative approval.
- Notes containing date(s) of planned absence(s) for vacation or college visits must be received five school days prior to the absence.
- Students are responsible for notifying teachers of the absence and arranging make-up work.
- FCPS policy permits students taking trips with their parents to be excused no more than twice during the school year for a combined maximum of **five** days.
- FCPS policy permits students to visit prospective colleges for up to **four** days per school year.

Extracurricular Activity Participation

- Students who arrive after 9:00 A.M. or who are dismissed before 12:40 P.M. or who are present for less than 300 minutes of the school day in combination **may not** participate in any extracurricular activities that day.

Make-up Work for Absences

- Students may make up work missed during excused absences. Suspensions are excused absences.
- Students must request make-up work within two (2) days of their return to school and make necessary arrangements with the teacher.
- Unexcused absences may result in denial of credit for work missed. The assignments should be done for purpose of student learning, but no credit will be received.

Accumulated Absences from School

- [FCPS Regulation 500-25](#) outlines school-to-parent notification of excessive absences from school.
- After the 10th day of absence, excused or unexcused, per semester, the student may be required to present a doctor's note for each subsequent absence.

AUDITORIUM

Food and beverages are not allowed in the auditorium at any time. Courteous and respectful behavior is required at all times.

BEHAVIOR EXPECTATIONS

OHS is committed to a positive environment where all students thrive as learners. Behavior expectations are outlined in [FCPS Regulation 400-8](#) and the *Student Rights and Responsibilities* section of the [FCPS Calendar Handbook](#).

*** Note: For serious offenses, a student may be suspended from school activities outside of the regular school day and "no trespassing" from school after 2:15pm and before 7am. This may result in a student being removed from an athletic, extracurricular, or co-curricular team.

Students may not have in their possession any prescription or over-the-counter medication on school property. In the event that a student needs medication, [FCPS Regulation 400-23](#) applies:

- Parents and the physician must complete the *Medication Authorization Form*.
- Parents must bring the medication in the original container and the completed form to the Health Room.
- The school nurse/health tech will administer the medication as prescribed.

PUBLIC DISPLAYS OF AFFECTION

Please refrain from excessive displays of affection during school hours.

RESTROOMS

Students may stop and use restrooms during the changing of classes. There are ample restrooms in the building to allow students to do so without being late for their next class.

When classes are in session, students will be issued restroom passes as needed.

During the first ten minutes of SET, the restrooms on Main Street will remain open but other restrooms will be locked. After announcements, restrooms are unlocked for the remainder of SET. During fourth block lunch shifts, all restrooms except cafeteria rest rooms will remain locked. Students should use the restroom during their assigned lunch block.

SCHOOL SECURITY

In order to provide a safe environment, the school building must be secure at all times. Maryland State Law requires that all visitors report to the administrative offices immediately upon arrival in the building. A visitor's pass will be issued and must be worn at all times while on school property. Students cannot have visitors during the school day. A student who is suspended out-of-school is not allowed on school property during the suspension unless granted prior permission of an administrator.

SATURDAY SCHOOL

Saturday School is an extended detention that may be assigned for some disciplinary infractions. The following expectations apply:

- Saturday School is held every Saturday from 8:00-11:30 A.M. in the Media Center. Students assigned to Saturday School are to report to the school's main lobby between 7:45 and 8:00 A.M. and wait for the proctor to arrive. Students who arrive after 8:00 a.m. will not be admitted. Students will receive a copy of the Saturday School form to give to their parent(s) at the time it is assigned.

STATE AND COUNTY TEST SECURITY AND DATA REPORTING REGULATION

It is a violation of state and county regulations for any student to obtain unauthorized access to state-required tests or county summative examinations. Invalidation of test scores shall occur for any student knowingly involved in test security or test behavior violations.

Any student who knowingly engages in any activities resulting in invalidation of scores will be ineligible to retake the test until the next official testing opportunity.

STUDENT AND HEALTH INFORMATION CARDS

Student and Health Information Cards are distributed on the first day of school. The Student Information Card is prefilled with information currently on file in the Student Information System. Please make any changes necessary so all information is up to date. (The email listed on this card is what FCPS uses for Find Out First notifications, so please make sure this information is updated.)

The Health Information Card must be completed in its entirety. Please return both forms the first week of school. Unless you indicate otherwise on the Student Information Card, the school will assume permission is granted for your child to be photographed, interviewed or video-taped by FCPS staff or the media.

STUDENT PARKING PRIVILEGES

Students who drive to school must register the vehicle in the Main Office and purchase a parking permit for \$25.00 for the school year. Vehicles without a current visible permit will be ticketed and fines assessed. Repeated ticketing will result in loss of driving/parking privileges. Student-operated vehicles are subject to the following regulations:

- Cars are to be in the lined spaces on designated parking lots.
- Upon arrival, cars are to be vacated and locked. Students should then promptly enter the building and not return to their cars unless given permission by the administration.
- All vehicles must be operated in a safe and courteous way. Right-of-way should be granted to buses and pedestrians at all times.
- Inclement weather necessitates extra caution while driving. Please follow the leadership of staff members directing traffic.
- Student cars may not leave the school grounds between arrival and dismissal without permission from the administration.
- Students who drive to school are expected to arrive on time. An excessive number of tardies to school will result in consequences, which could include loss of privilege to drive to school.
- OHS will not issue parking permits for motor scooters or motorcycles.
- Failure to obey these regulations will result in loss of the parking privileges.

According to Frederick County Board of Education Policies and Procedures as well as state regulations, only the principal, assistant principal, or other personnel designated by the principal are granted the authority to search a student's motor vehicle at any time when it is on the school property.

STUDENT PUBLICATIONS

Publications, which are libelous, obscene or will substantially disrupt or materially interfere with the operation of the school, will not be distributed.

- Libel is defined as any unprivileged false and malicious publication, which by printing, writing, sign or picture tends to expose a person to public scorn, hatred, contempt, or ridicule. It is a statement, which tends to injure "reputation" or to diminish the esteem, respect, goodwill or confidence in which a person is held, or to excite adverse, derogatory or unpleasant feelings or opinions about a person.
- Obscenity means (a) that the average person, applying contemporary community standards, would find that the publication, taken as a whole, appeals to the prurient interest, (b) that the publication depicts or describes sexual conduct in a patently offensive way, and (c) that the work taken as a whole lacks serious literary, artistic, educational, political, or scientific value.

School-sponsored Publications

- Principals will make known to students system-wide guidelines for school-sponsored publications.
- Publication is defined as a substantial dissemination of literature in any form made generally available to students, including any book, magazine, pamphlet, newspaper, yearbook, picture, photograph, drawing, or any other written or printed or usual representation, however produced.

Un-sponsored Student Publications

- Un-sponsored student publication (s) system-wide guidelines will be made known to students by principals.
- Guidelines
 - The Review Board will establish to which all student publications must conform. The guidelines will establish acceptable methods of distribution, including but not limited to time, place, content, and quantity. The guidelines will exclude approval of material(s), which is libelous, obscene, or defamatory. (As previously defined in I A & B)
 - The principal will have emergency powers to prohibit distribution where dissemination of any student publication would present a potentially dangerous or disruptive situation in the school. Any appeal may be made to the Area Superintendent no later than five (5) days after the decision

of the Principal. The Area Superintendent will render a decision no later than five (5) days after receiving the appeal. (continued on next page)

- Activities not permitted on school premises should not be condoned by school publications. These activities are stated under “Disciplinary Policies” in the [Calendar Handbook](#).

TEACHERS’ LOUNGE

Students are not permitted in the teachers’ lounge at any time.

TELEPHONES

Office phones are available for students to make emergency phone calls to parents. Students must get permission from the secretary/teacher to use his/her phone. The only calls/messages that will be accepted for students are those made by their parents. Parents are advised to not call their student on a cell phone during the day, as his/her phone may be confiscated.

TRANSPORTATION

Only in the case of an emergency can a student ride another student’s bus. If a student plans to ride the bus home with another student, a note from both parents must be sent to the school. The following procedures are to be observed:

1. The note must be brought to the main office by 7:30 A.M.
2. The note must contain parent signature, student names, and daytime phone numbers to facilitate parent contact. If the school cannot reach a parent, then the transportation will not be approved.
3. Students must pick up the approved note before boarding the bus or during lunch or between classes, not during class time.

Students are expected to follow all school bus rules and be respectful to the driver. Students may ride only their assigned bus and must provide their own transportation if they are enrolled at a school outside their attendance area.

If you are unsure about the bus your child should ride or the bus stop location, go to the FCPS webpage and search for the Transportation Department.

Refer to the [Calendar Handbook](#) for more details.

VARSITY “O” LETTERS

The Varsity “O” Letter will be awarded to students based on the amount of participation in each sport. The participation time that is required to receive a Varsity “O” Letter will be determined by each varsity coach.

Students can also earn an Academic “O” letter. Students who have earned an unweighted grade point average of 3.5 or higher at the end of the prior academic year will earn the academic letter at the Fall Awards Ceremony.

WEAPONS

It is unlawful for students to possess or use any weapon on school property. Students who have or use a weapon on school property will be suspended from school, and the police will be notified of the incident. A weapon is any object designed to harm another physically or an object, which is used in a way that can physically harm another.

WORK PERMITS

Schools no longer provide work permits. Details on obtaining them are listed below.

- 1) Complete the on-line application: <https://www.dllr.state.md.us/childworkpermit/>
- 2) Print the work permit
- 3) Get the work permit signed by the minor (student), parent or legal guardian and employer (work permits are only valid when signed by all parties) (continued on next page)

During the 2014 session, the Maryland General Assembly passed House Bill 467 that modified the requirements that must be met before a minor work permit can be issued. The change requires the minor's parent or guardian to certify that the age on the minor work permit is correct rather than producing proof of age to an issuing officer. This change allows the Department of Labor, Licensing and Regulation to grant applicants the ability to download and print a work permit directly from the application website. The new system began July 29. Minors are no longer required to obtain their work permit from an issuing officer. ***Minors must be offered employment before applying for a work permit.

STUDENT SERVICES

COUNSELING AND GUIDANCE SERVICES

The primary purpose of the Guidance Program is to provide students with an opportunity to help themselves. This is done by assisting them in developing a better understanding of their capacities, capabilities, and goals. We hope this self-knowledge will enable students to make positive, satisfactory adjustments to the variety of experiences students will encounter in life.

School counselors help students and their families with a broad range of needs related to education including emotions, interpersonal relations, social and learning skills, graduation information, testing information and class schedules. They assist with crises and problem situations. Counselors also coordinate with community services agencies, address developmental needs, help with the orientation of new students and provide information about school system programs.

Appointments with a school counselor may be made with the guidance secretary before or after school or during lunch. Counselors are also available for informal interaction in the cafeteria during lunch.

CUMULATIVE RECORDS

A cumulative record is begun for each student from the day he/she enters the Frederick County School System. This record includes such things as scholastic achievement, health information, attendance data and school activity participation information. A student or parent may request the counselor to interpret this record. Student records will not be released to any outside agency without an authorized signature of student and parent/guardian.

SCHEDULE CHANGE

Schedule selections must be made with the utmost care. Decisions regarding staffing and course offerings are based upon the students' selection of courses during registration. Therefore, no schedule adjustments will be allowed unless the student has failed a course, failed to meet a graduation requirement, or an error was made by the school.

TRANSCRIPTS

A transcript is the student's official high school academic record sent upon request to legitimate agencies. Transcripts may be obtained through the School Counselors Office. There is a fee of \$2.00 for each transcript requested. All requests for transcripts require a signed release from the student. Students under the age of 18 must also have a parent or guardian's signature.

HEALTH SERVICES

Our School Health Services Program is designed to help children stay healthy and in school by providing a variety of services. The school health services team is composed of a registered nurse and a health room technician. (Continued on next page.)

The Registered Nurse, who works in more than one school, performs in-depth health assessments, assists families in finding medical or other needed services, and serves as a resource to school personnel health concerns. The nurse also serves as part of a multi-disciplinary school team whose purpose is to maximize the health and learning of each student by promoting a healthy environment, health instruction, improved nutrition and early identification and intervention for special needs. Under the direction of the Registered Nurse, the Health Technician remains in the health room to provide emergency treatment of major and minor accidents and illnesses, administers medications, and performs selected treatments. There is no charge for school health services. School personnel and parents are encouraged to talk with one of the school health teams regarding any health concerns.

MEDIA CENTER

Student hours are 7:15 A.M. to 2:30 P.M. and the Media staff is available to help students with research and academic/recreational reading needs. Students seeking to use the Media Center after school should speak with Media staff to determine availability. Media Center materials will be checked out by the Media staff on the computer. Each student will be assigned a unique computer identification number. Most books (print and electronic) may be borrowed for 21 school days. Reference materials may only be borrowed overnight and must be checked out at the end of the day. Materials relating to specific assignments may be photocopied with permission from the Media Center staff; however, there will be a 10¢/page charge for all printing and photocopying.

Students are expected to use school computers for educational purposes only in support of the FCPS curriculum, and in an ethical, responsible and legal manner. Access will be denied to students who misuse this resource.

Students will reimburse the Media Center for any lost or damaged materials.

During regular class hours, students must have a pass to be admitted to the Media Center and must sign in. Any student whose conduct is unacceptable will be sent back to class. A limited number of students may come to the library during lunch; students should sign up in the Media Center before 7:30am to attend during lunch that day. There will be no eating and drinking in the Media Center.

MAINTENANCE AND OPERATIONS STAFF

Maintenance and operations staffs are extremely important people at Oakdale High School. Their primary function is to assist students and teachers in keeping the building clean, comfortable and safe. The assistance given by students to these key personnel will be reflected by making Oakdale High School a better place to live and learn.

WITHDRAWAL FROM SCHOOL

Oakdale High School students are not allowed to withdraw from school. A student who is considering withdrawing from school should notify his/her counselor immediately. An administrative/parent conference will be held. The student's success might easily depend upon this contact. At this time, in addition to counseling, the student's record will be reviewed and updated. His/her future plans are discussed with attention given to alternative ways a student could receive a diploma. The school is interested in the future welfare of each student who has been a part of OHS and will exhaust all efforts to assure graduation.

Class Grades Report

The Class Grades Report for a class shows every assignment and grade that the teacher entered for the student.

Some explanation may be needed for several of the columns in this report.

- Due Date – This column may be blank. It's up to the individual teacher to decide whether or not to include due dates for assignments in their grade books.
- Category – If you see only a single category called Assignments, then that teacher does not categorize assignments. (Example: homework, class work, test, quiz) Refer to the class information sheet that the teacher handed out on the first day of the class to see how the teacher determines course grades.
- % Grade – Several special codes are used in this column:
 - X – The student was exempted from the assignment.
 - Z – The assignment was not turned in and the student earned a zero.
 - Dash (-). A dash means one of the following:
 - The student did not yet turn in the assignment.
 - The assignment was turned in, but has not yet been graded.
 - The assignment was added to the teacher's Grade Book, but not yet assigned to the class.

Note: An assignment with a dash does not count in the course grade. The teacher will eventually change the dash to an actual grade or a Z-grade.
- Max - This column show how many points the assignment was worth.
