

2017-2018
Permission Slip for Career & Technology Center (CTC)
Shadowing Program
<http://education.fcps.org/ctc/>

Your student has expressed an interest in a Career & Technology program for next year. Students are required by the CTC to shadow any program before they can apply to be considered for enrollment. By shadowing, students will have the chance to observe the students and class activities for the specific program they are interested in. This helps the students to determine if the program is truly one in which they are interested.

Transportation to and from OHS and the CTC is provided by FCPS buses. Students are **REQUIRED** to turn in this permission slip to Mrs. Connolly in the Guidance Office to be allowed to attend a shadowing visit at the CTC. **No exceptions!**

Student will receive a CTC bus pass the day before their scheduled visit with instructions for the time and location of the bus pick-up.

Print Name of Student: _____ **Student ID #** _____

Circle current grade: 9 10 11

Student Email Address: _____ **Student Cell Phone: #** _____

You are allowed to shadow up to two (2) programs per year. Please indicate program(s) you would like to shadow. **9th graders may NOT shadow programs indicated with a ***

Construction Technology Programs:
