

FREDERICK COUNTY PUBLIC SCHOOLS

ADDENDUM ADDRESSING THE COVID-19 PANDEMIC

Student, Parent/guardian, and Employer acknowledge that this addendum addresses COVID-19 related protocol requirements in the workplace today.

Student and Parent/guardian acknowledge reviewing and understanding The Centers for Disease Control and Prevention (CDC) basic guidelines for safe practices in the workforce including:

- Conducting a daily health check
- Wearing cloth face coverings, if appropriate
- Hand washing, along with cleaning and disinfecting surfaces
- Adhering to social distancing recommendations
- Other recommendations which an Employer may require

More information regarding COVID-19 and steps to reduce workers' risk of exposure and contamination is available at **cdc.gov** and the Student and family members are encouraged to review it for additional information.

Under the Occupational Safety and Health Act of 1970 (OSHA), employers are responsible for providing safe and healthful workplaces for their employees. OSHA's role is to help ensure these conditions for America's working men and women by setting and enforcing standards, and providing training, education and assistance.*

As Employers take steps to reduce workers' risk of exposure and contamination, Employer acknowledges following OSHA and CDC ongoing updated strategies and recommendations responding to COVID-19, and will review these practices with Student.

All signatures must be affixed to this agreement before the student is allowed to participate in the program.
