ADDITION ADDRESSING THE COVID-19 PANDEMIC

Student, Parent/guardian, and Employer acknowledge that this addendum addresses COVID-19 related protocol requirements in the workplace today.

Student and Parent/guardian acknowledge reviewing and understanding The Centers for Disease Control and Prevention (CDC) basic guidelines for safe practices in the workforce including:

• Conducting a daily health check
• Wearing cloth face coverings, if appropriate
• Hand washing, along with cleaning and disinfecting surfaces
• Adhering to social distancing recommendations
• Other recommendations which an Employer may require

More information regarding COVID-19 and steps to reduce workers' risk of exposure and contamination is available at cdc.gov and the Student and family members are encouraged to review it for additional information.

Under the Occupational Safety and Health Act of 1970 (OSHA), employers are responsible for providing safe and healthful workplaces for their employees. OSHA's role is to help ensure these conditions for America's working men and women by setting and enforcing standards, and providing training, education and assistance.*

As Employers take steps to reduce workers' risk of exposure and contamination, Employer acknowledges following OSHA and CDC ongoing updated strategies and recommendations responding to COVID-19, and will review these practices with Student.

All signatures must be affixed to this agreement before the student is allowed to participate in the program.

The goal of an internship experience is to learn about the student’s career field of interest from a mentor in the career. Students complete an internship program under the cooperative supervision of their mentor and the Transition Education Coordinator. Students need to be motivated and capable of working independently to be successful in the internship program. Placements are approved by the school to ensure that the internship is appropriate and has educational significance. One credit will be earned for each block of internship completed.

**Required Hours**

Your internship will be conducted daily during the time you would otherwise be in school. Minimum hours required per semester are as follows:

<table>
<thead>
<tr>
<th>Blocks</th>
<th>Hours/Week</th>
<th>Total Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>7.5</td>
<td>135</td>
</tr>
<tr>
<td>2</td>
<td>15</td>
<td>270</td>
</tr>
<tr>
<td>3</td>
<td>22.5</td>
<td>405</td>
</tr>
<tr>
<td>4</td>
<td>30</td>
<td>540</td>
</tr>
</tbody>
</table>

**Time Cards**

You will submit your weekly time card on the last day of the school week showing the hours spent at the internship during the week. Time cards not turned in on the last day of each week will result in a 10% deduction.

**Attendance**

If you are absent or suspended, you are not permitted to attend your internship that day, regardless of the hours scheduled. Should you be absent or suspended, it is your responsibility to notify your mentor AND Mrs. Pyles by 9:00 that morning. If you need to schedule an absence (college visits, class field trip, etc.), contact Mrs. Pyles at least 5 days before absence for approval. Hours will need to be made up by coordinating with your mentor. Failure to notify the coordinator of an absence will result in a zero for the week’s time card of occurrence. Failure to comply with the attendance policy will directly affect your term grade.

**Grading**

Students need to be motivated and capable of working independently to be successful in the Internship program. Term grades are determined by a written evaluation from your mentor and an evaluation by your coordinator (Mrs. Pyles). Both evaluations receive equal weight in determining your term grade, but a major problem in either area can cause failure for the term. Tutoring /consultation is available for students experiencing internship-related concerns. Please see your coordinator to arrange a time to meet. Failure to meet the minimum hours by the end of the semester will result in failure for the semester.

The following factors are used in determining your term grade:

- 50% Mentor’s Evaluation of Performance
- 50% Coordinator’s Evaluation, which includes:
  - School attendance and punctuality
  - Internship attendance and punctuality
  - Time cards submitted on the last day of the school week
  - Assigned projects throughout internship
  - Communicating concerns to Mrs. Pyles in a timely manner
  - Abiding by the terms of the Internship Agreement
  - Following school rules
● You can expect to earn an F in your internship for the term if you:
  ○ Are absent from school and your internship more than three days a term without a doctor’s note
  ○ Go to your internship when you have been absent from school (includes lateness and leaving school early)
  ○ Are asked by your mentor to be removed from the internship program
  ○ Do not report internship information accurately to the coordinator
  ○ Do not turn in assignments
  ○ Do not turn in weekly time cards
  ○ Do not meet the needed hours for the program

If students, parents, or employers have questions or need to contact Mrs. Pyles (or need to turn in paperwork), choose to email amy.pyles@fcps.org or call 240-566-9432. Evaluations can be submitted by emailing or faxing to 240-566-9401.

Student Reminders
● Students may not work during any hours of any day if they are absent from school. No hours will be counted on a day that a student attended their internship and failed to attend school. This could cause loss of credit by not meeting hour requirements.
● Students MUST provide their own transportation to and from their internship. You CANNOT ride with another student to the internship site.
● When leaving the building to report to their internship, students must sign out at the attendance office.
● Students are NOT permitted to reenter the building unless returning for an after-school activity. If a student must return for an appointment at school, he or she must check in with the attendance office.
● Students are scheduled for a full day of classes until a request to change schedule is submitted to guidance from WBL Coordinator. All scheduling requests involving internships must come through Mrs. Pyles, WBL Coordinator. Approval for internships need to be obtained PRIOR to the last day for schedule changes (10th school day at the beginning of each semester) for schedules to be changed.
