

Bear Cub Preschool Program at Oakdale High School

The program encourages social, emotional, cognitive, language and physical development. A wide range of activities will be offered to take children through various areas in which they may achieve growing skills and concepts. Science, math, arts, language, music and creative dramatics will help your child grow to be independent and feel successful. The children are in a learning environment led by high school students in Child Development classes (levels 1-4).

Teacher: Austin Seliga, Family and Consumer Sciences

E-mail: Austin.Seliga@fcps.org

**WE ARE NOW ACCEPTING APPLICATIONS FOR
THE 2021-2022 SCHOOL YEAR**

SEE BELOW

[Preschool Application](#) (click to open document)

Interested applicants may complete the application form and submit to Austin Seliga, applications are currently being accepted.

Preschoolers must be potty-trained and ages 3 or 4 as of September 1st of the school year they are attending.

Applications are filed in the order received. Applications will be processed beginning on April 15th. Deposits are not accepted with the application.

Registration forms, health information forms, and payment information will be sent after that process is completed. If there are no openings at that time, your child will be placed on a waiting list.
