PARKING/DRIVING REGULATIONS:

1. A parking permit must be clearly displayed through the front window at all times while the vehicle is on campus.
2. **Permits may be revoked for discipline or attendance infractions.**
3. Speed limit on school property as mandated by state law is not to exceed 15 m.p.h.
4. Drivers must yield right-of-way to pedestrians and school buses.
5. Students may park **ONLY** in spots designated to students.
6. Upon arrival on campus, a student must immediately park, exit his/her vehicle, and enter the building.
7. Parking lots are unauthorized areas except when arriving and departing from school. Students are not permitted in parking lot areas during the school day without written permission of an administrator.
8. Under no circumstances will students transport other students from school during the school day.
9. All passengers must be transported in a legally approved fashion with seat belts fastened. Students are prohibited from riding in the back of pick-up trucks or similar situations while on school property.
10. The Board of Education and local law enforcement authorities have joined in a program to curtail the use of drugs in the county secondary schools. At unannounced and randomly selected times, a canine unit will be inspecting cars in our parking lot. If, as a result of this investigation, a student is found to be in possession of drugs, his/her parents will *be notified immediately. At that time, the school system procedures for handling drug offenses will be initiated.*
11. The school administration reserves the right to search vehicles when on school property and seize any illegal substances or contraband such as drugs, weapons, drug paraphernalia, alcoholic beverages or similar items. Legal authorities will be contacted.
12. Career and Technology students must ride the bus and may not drive to the Career and Technology Center in private vehicles unless a permit has been granted from the Center.
13. Students may not use their vehicles to delay or impede either their own school attendance or the school attendance of other students.
14. Student drivers must immediately and courteously follow the directives of any teacher or other staff member who is supervising or coordinating activities in the parking areas or campus roadways.
15. Upon dismissal, student drivers are expected to leave immediately in a safe and orderly manner.
16. **Parking permits are NOT transferable (may not be loaned to others). Those students who loan their parking permit to another student will lose their parking permit for the remainder of the semester.** Only cars registered on your parking application may be parked at OHS.
17. Other School Disciplinary actions, not parking related, could result in loss of parking permit.

It should be recognized that it is a privilege to drive your car to school. The above regulations have been adopted for your benefit. Violation of these rules could result in fines, disciplinary action, towing or loss of parking privileges.

REMEMBER, PARKING IS A PRIVILEGE NOT A RIGHT
