Work Based Learning Coordinator: Kristen Sutherin

The objective of Cooperative Work-Study is to mentor and assist students in acquiring the skills needed for success in the workplace to be college and career-ready. Students are employed in paid positions under the cooperative supervision of the job-site supervisor and the WBLCoordinator. Jobsites are approved by the school to ensure that the employment activities have educational significance. One credit will be earned for each block of Cooperative Work Study.

Required Hours

The **majority** of your hours need to be worked during the time you would otherwise be in school. **Minimum** hours required per semester to receive a passing grade are as follows

1 block	7.5 hours/week	(135 hours total)
2 blocks	15 hours/week	(270 hours total)
3 blocks	22.5 hours/week	(405 hours total)
4 blocks	30 hours/week	(540 hours total)

Paycheck stubs are used to verify hours. Copies/pictures of all paycheck stubs are to be turned in to Google Classroom for the WBL Coordinator to track hours. These are due at midterm and end of term.

Time Cards

You will submit your weekly schedule on the first day of the school week for the UPCOMING week. If your scheduled days change during the week, **you will need to notify Coordinator**. Time cards not turned in on the first day of the week will have a 10% deduction each day late.

Attendance

If you are absent, suspended, or arrive late to school after 9:00, you are not permitted to work that day, regardless of the hours scheduled. Should you be absent, late, or suspended, it is your responsibility to notify your job supervisor AND coordinator as soon as possible that morning.

No school attendance OR notification will result in loss of points for that week's grade and assessed on the week's time card. Failure to comply with the attendance policy will directly affect your term grade. Student needs to notify Coordinator of pre-planned absences (vacation, college visits, etc.) at least 2 weeks prior to the first day of the absence. **Failure to meet the minimum total hours needed will result in failure for the semester.**

Grading

Students need to be motivated and capable of working independently to be successful in the Work-Study program. Term grades are determined by a written evaluation from your job supervisor and an evaluation by your coordinator. Both evaluations receive equal weight in determining your term grade, but a major problem in either area can cause failure for the term. Tutoring /consultation is available for students experiencing job-related concerns. Please see your coordinator to arrange a time to meet.

The following factors are used in determining your term grade:

50% Supervisor's Evaluation of Job Performance

50% Coordinator's Evaluation, which includes:

- School attendance and punctuality
- Job attendance and punctuality
- Time cards submitted on the first day of the school week
- Delivering and returning paycheck stubs and paperwork on time as requested
- Communicating concerns to WBL Coordinator in a timely manner
- Abiding by the terms of the Work-Study Agreement
- Following school rules

You can expect to earn an F for Work-Study for the term if you:

- Are absent from school and your job more than three days a term without a doctor's note
- Quit or change jobs without discussing options with your coordinator
- Go to work when you have been absent from school (includes lateness and leaving school early)
- Are fired from your job for stealing, lying, harassment, or reduced performance
- Do not report job information accurately to the coordinator
- Do not turn in copies of paycheck stubs
- Do not turn in weekly time cards
- Do not meet the needed hours for the program

Office hours are held during SET on a daily basis. Contact me through email or stop by room B111 and ask to be requested for SET through the database. If students, parents, or employers have questions or need to contact Mrs. Sutherin (or need to turn in paperwork), choose any of the following methods:

1. Email: Kristen.sutherin@fcps.org
2. Phone: 240-566-9443
3. Evaluations are done through face-to-face meetings with employers and paystubs can be submitted on Google Classroom.

Student Reminders

- Students may not go to work if they arrive later than 9:00 (beginning of second block).

- Students are scheduled for a full day of classes until request to change schedule is submitted to guidance from Transition Coordinator. All scheduling requests involving work study must come through Mrs.Sutherin, Transition Coordinator. Approval for work study needs to be obtained PRIOR to the last day for schedule changes (10th school day at the beginning of each semester) for schedules to be changed.

If a RARE situation requires a student to change jobs, the student must do the following before any notice (2 weeks) can be given:

2. Student must seek a new place of employment, complete and return the application paperwork to Mrs. Sutherin for approval **prior** to starting new employment or give notice to their current employer. **No hours will be counted for work until all application/agreement paperwork has been approved by the WBL Coordinator for new employment.**
