

SYNCHRONOUS SUPPORT FOR STUDENTS ON QUARANTINE

While your son or daughter is not able to be in-person at school because of quarantine, they should daily access their classwork, assignments, and materials posted on Schoology. They are strongly encouraged to message their teachers if they have any questions about their activities and assignments. In addition, OMS has established specific dates and times for students under quarantine to receive additional support from our academic specialists and counselors (see below). Formal lessons and direct instruction can not be offered at this time. Instead, it is a time for students to drop-in synchronously to ask content specific questions, seek clarification on activities, and provide an opportunity for students to stay connected with our OMS staff. **Students interested in accessing this tutoring need to sign-in to the Google Meet within the first five (5) minutes of the specific session.**

<u>Subject</u>	<u>Specialist/Teacher</u>	<u>Grade</u>	<u>Times</u>	<u>Days</u>	<u>Google Meet Link</u>
E/LA	Anderson	6th, 7th, & 8th	10:00 - 10:45	W & F	https://meet.google.com/lookup/omsanderson
