

Cafe Prepay to MySchoolBucks

Transition Effective Monday, June 3

Frederick County public schools are transitioning from the Heartland School Solutions Cafe' Prepay to their MySchoolBucks program, one of the most widely used and secure online parent information and payment solutions available today. Visa and other trusted third parties have certified MySchoolBucks at the highest levels of Payment Card Industry-Data Security Standard security.

A few of the MySchoolBucks benefits include access to 90 days of purchase history, automated low-balance emails, the opportunity to schedule payments allowing weekly, biweekly or monthly payments, if desired, an option to automatically add money when an account runs low, and an app for mobile devices such as smartphones.

Parent and district fees will not change. Parents who use Café Prepay now may use the same payment options with MySchoolBucks. Parents will need to set up new accounts and may do so now through the end of the school year at <https://www.myschoolbucks.com>. Answers to frequently asked questions and instructions are also online at <http://educate.myschoolbucks.com>. The student's name and ID are required.

FCPS MySchoolBucks accounts will go live Monday, June 3. Café Prepay balances will automatically transfer in to MySchoolBucks.

FCPS will also continue to accept cash and personal checks as payment for school meals.

For additional information, please contact FCPS Food and Nutrition Services: food.service@fcps.org or 301-644-5061.
