As a middle or high school FCPS student, you have an opportunity to contribute to your community, grow as a citizen and receive credit and recognition by participating in Student Service Learning activities outside the regular classroom. Follow the guidelines below and take advantage of the associated resources to plan, document and receive credit for your activity.

1. Begin by meeting with the Student Service Learning (SSL) coordinator at your school. This individual approves all SSL activities that take place beyond the SSL activities already infused into your classes.

2. Before starting, get your SSL coordinator’s approval to ensure the planned activity meets the Maryland Service Learning Guidelines.
   - Locate an adult mentor in the community to help you with the project and verify its completion. This individual should not be a family member or close relative.
   - Complete the following Planned Student Service Activity form and have your SSL coordinator review and approve it.
   - All SSL activities include Preparation, Action, and Reflection. A brief description of each can be found here.

3. As you conduct your project, complete the form entitled Record of Student Service Learning Activities Outside of School and

4. Complete the Record of Student Service Learning form, including the Preparation, Action and Reflection sections, and submit to your school SSL coordinator. This documentation is required for you to receive credit for service learning hours.

Good luck with your service project. There is no greater deed than to serve others.
