

GRADUATION PRACTICES

ATTENDANCE

ALL Practices are MANDATORY in order to participate. Doctor appointments, work schedules, vacations, etc. are NOT considered an excuse for missing practice. Now is the time to rearrange your schedule!

Any student who has an exceptional reason for requesting permission to miss practice must present a written request from parent(s) no later than **May 1, 2020**, to Mr. Kehne. Permission to miss a practice will not be automatic. Do not assume that permission has been granted until you receive that permission in writing from Mr. Kehne.

If a student misses practice without being granted prior written permission, he/she will not be allowed to participate in the remaining practice(s), the Salute to Seniors Awards Program, or Graduation. Exceptional emergency situations may only be considered after a meeting is held including the student, parent(s), and the principal.

GUIDELINES

Seniors may only enter the building through the PE doors by the gym for all three graduation practices.

All students **MUST** be in the gym ready to begin by 8:00 AM on the first day and in their assigned seats on subsequent days. Students who are tardy will be required to remain after practice for detention time.

Seniors must be present for the entire practice on Monday, Tuesday, and Wednesday. Please make arrangements with work now; **NO one will be allowed to leave earlier than the announced times.**

Seniors may wear shorts and comfortable shoes to practices on Monday and Wednesday. On Tuesday morning, however, there will not be time to change clothes between practice and the Salute to Seniors program. On Tuesday (June 2) all seniors **MUST** wear dress clothes for the panoramic class photo and the awards program.

No family members or friends may visit seniors at practices or in the preparation areas for either the Salute to Seniors Awards Program or Graduation.

All seniors are expected to leave school grounds after the conclusion of each practice.
