August 2017

Dear Wolfsville Students and Families,

It is an honor, as the principal of Wolfsville Elementary School, to welcome you to the 2017-2018 school year! This year you will notice a focus on 3 R's- Relationships, Rigor and Relevance. I believe strongly that EVERY student at Wolfsville deserves an exceptional education built on a foundation of strong relationships and real world application of academic skills. I plan to work closely with students to engage in discussions throughout the year with a focus on these themes.

For the upcoming year we will welcome new faces to our Wildcat team and will have a few others serving in new roles. Dori Miller will join us as instructional assistant following the transfer of Karen Willard to 10 month secretary at Middletown Middle School. Dori comes to us from Orchard Grove Elementary as a former kindergarten teacher. Mike Jarboe will share a PE position between WFES and Carroll Manor Elementary. He also serves as the head basketball coach at Urbana High School. Two familiar faces will serve in slightly different roles as they will share our 2nd grade teaching position. Mrs. Mary Dawson will teach language arts in 2nd grade and also reading intervention. Mrs. Janet Dill will serve as homeroom and math teacher for 2nd grade as well as resume her role as math specialist/intervention teacher. More specific information is attached for families of students in those grades. Serving as classroom teachers in our other grades will be:

**PreK - Mrs. Wiles, Kindergarten - Mrs. Keary, First Grade - Mrs. Macierowski,
Third Grade - Mrs. Butler, Fourth Grade - Mrs. Peyton and Fifth Grade - Mr. Marfut.**

Mark your calendars for a few back to school events! Please join us at the Ruritan Park on Monday, August 28th for a free family picnic supported by the WFES PTA. A main course, drinks, and paper products will be provided. Families are also asked to bring a dish to share. We will also host the following back to school events:

*Thursday, August 31st 3:00-4:00 **Open House***
*Thursday, September 7th 6:00-7:00 **Back to School Parent Night***

You can visit the school website for the 2017-2018 list of school supplies <https://education.fcps.org/wfes>. If you are in need of assistance with supplies, you can call the front office at 240-236-2250 for more information. On the back of this letter you will also find additional information related to school procedures and organizations.

I look forward to partnering with you to continue supporting our mission of empowering students to '***experience the pride of achievement through the power of learning***'.

Yours in Education,

Megan Stein
Principal
