Dear Wolfsville Community,

It is an honor and privilege that I have been selected to serve as Wolfsville Elementary School's principal. I am committed to the schools' vision of allowing students to experience the pride of achievement through the power of learning. As a new member of this tightknit community, I wanted to share some background regarding my professional and personal history. Prior to my administrative experience I have worked as a classroom teacher, reading intervention teacher and teacher specialist at Orchard Grove, Thurmont Primary and Monocacy Elementary Schools, respectively. In 2012, I was promoted to assistant principal at Oakdale Elementary School and transferred to Yellow Springs Elementary in 2015. I strongly believe these varied experiences have allowed me the opportunity to deepen my understanding of high yield instructional practices and cultivate a passion for supporting students through the power of education.

On a personal note my husband, Kurt, and I have two young sons and reside in New Market. He is also a teacher and the head football coach at Oakdale High School. Our oldest son, Colten, turned 4 in April and loves to read and play sports with his Dad (especially football). I will begin my service to your community as I return from maternity leave following the birth of our second son, Casen, in March. I have a strong sense of purpose as I see the world through my children's eyes and rest assured I will take care of your little ones as if they were my own.

In the coming weeks, as my appointment of principal becomes official, my main goal will be to build relationships with the stakeholders of Wolfsville and incite feedback regarding aspects you are most proud of in our school. I hope through hearing directly from teachers, parents and students I will gain a stronger understanding of how I can support 'the best kept secret in Frederick County'! If you would like to begin this process now, simply copy and paste this link into your web browser and take a few minutes to answer a brief survey:

<https://goo.gl/forms/OmYIOJX7DETj8DPF3> . If you prefer, I would welcome you to visit the school and share your feedback with me in person. Please contact the front office at 240-236-2250 if you are interested in this opportunity to set up a meeting time.

I believe strongly that *EVERY day should count for EVERY student*. My main goal is to build and foster strong relationships with you and your children and help provide an outstanding education in a caring and safe environment because *every student at Wolfsville matters!*

Yours in Education,

Megan Stein

Principal
